## A Big Thanks!

To everyone who braced the heat last night to support our growing family of Artists and Art Lovers. To the new and the familiar faces in attendance, last night was a fun and informative evening and we're grateful to have had you there to share it with us! Another thank you to Hugues Scheid who delivered last night's "Art Tips", his perspective on the importance of crafting each technique you experiment with into your own mold gave us an incredible insight into his creative process. On the next page you'll see the amazing finalists from last night's event. Also if you haven't already, please "Like" us on Facebook and "Follow" us on Instagram so we can grow our family even further 😊
